

How three letters
HIV
can lead to two more
TB.

This week on **SIYAYINQOBA BEAT IT!**

HIV and TB are often related. With so many people having HIV and TB it's important to test regularly for both. TB is treatable and curable. So why do we have such a big problem with TB and what can we do about it? The discussion begins only on Siyayinqoba Beat It! only on SABC1, this Thursday at 1:30 pm and Friday at 5:00 am.

You can be a winner! Send a FREE Please Call Me to 072 924 2559. Then watch the show and see if you've won an incredible weekly prize. Brought to you by Cell-Life.

Protect yourself. Protect others.
